ur the Orders of a monarchy England no longer recog-js. It ia a perpetual insult to the French people, and time has come for quiet in Europe. It really looks as ugh there were not a peace between the two countries only a truce, and the English Government ia entirely >lame.

Oth. My power proceed! from roy reputation, and reputation from the victories *I* have won. My power ild fall if I were not to support it with more glory 1 more victories. Conquest hai made me what I am; *Y* conquest can maintain me.

Viendship ia only a word; I love nobody; no, not even brothers. Perhaps Joaeph a little; even then it'i a tter of habit, it's because he ia my elder.—Duroc? yea, I love him; but why ? Hia character attract* me: is cool, dry, severe; and Duroc never sheds team. As me, you don't suppose I cart; I know perfectly well av© no real friendi, AJ long «a I remain what I am, mil have a§ many *m I* nwl 10 far tut the appearance 8. Let the women whimpar, that *a their buainem, but me, give me no sentiment. A man muat be firm, hmve ;out heart, or db© leave on one »!d« war wad govef»-**it**
